

# Privacy Policy for The Perfect Party Game

Effective Date: 16.01.2025

## Introduction

At The Perfect Party Game, your privacy is our top priority. We are committed to protecting your personal data and ensuring a safe and enjoyable experience for our users. This Privacy Policy outlines how we handle your information while using our app.

## Data Collection

No Data Collection

**The Perfect Party Game** does not collect, store, or transmit any personal data or usage information. The app operates entirely offline, ensuring that no user data is shared with third parties or uploaded to any servers.

No Internet Connection Required

The app is designed to function without an internet connection. All features are accessible offline, and no network permissions are required or utilized.

Permissions

The app may request access to certain device features, such as:

- **Storage:** To allow saving or loading custom game files if applicable.

These permissions are solely for the app's functionality and are not used to collect or share data.

## Third-Party Services

**The Perfect Party Game does not integrate with any third-party services or analytics tools.**

## User-Generated Content

If you customize or edit content within the app (e.g., creating new missions), that content remains locally stored on your device. **The Perfect Party Game** does not access or share this data.

## Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Any changes will be communicated within the app or through an updated version. Your continued use of the app after updates constitutes your acceptance of the revised Privacy Policy.
